ACN Jalandhar (acn@awesindia.edu.in)

Dear Madam,

Greetings from TNAI HQs!

The Trained Nurses Association of India is the largest and one of the oldest professional associations of nurses established in 1908 with approximately 5,00,000 members including all categories of nurses, covering students, practitioners, educators, researchers and administrators in both State-run and private institutions. TNAI is registered under Societies Act XXI of 1860 in 1917 and recognized as a welfare association by the Government of India since 1950. The Headquarters of TNAI is situated at New Delhi, India.

We are pleased to inform you that TNAI has established the Central Institute of Nursing & Research for the skill development of the nurses and all the medical professionals including Doctors, paramedics etc. at Greater Noida U.P.

TNAI has established two simulation labs which are as follows:

1. International Training Centre (ITC) Authorized by American Heart Association (AHA) since 2018.
2. National Skills Lab-DAKSH since 2015

1. International Training Centre (ITC)

i. Basic Life Support Provider Course (BLS):

- > BLS teaches the concept of high quality CPR, improvement of chest compression fraction and high-performance team dynamics.
- > BLS is a one day course

ii. Advanced Cardiac Life Support Provider Course (ACLS):

- > ACLS is designed for health care providers who participate in the management of cardiopulmonary arrest or other cardio-vascular emergencies.
- > ACLS is a two days course

(a) Course requirements for BLS/ACLS:

- > Registration and payment to be done 3 weeks prior to the course date.
- > It is a pre-reading course, so candidates will receive an e-Book soon after registration.
- > Candidates are required to study the e-manual thoroughly before attending the course.
- > All participants should have a valid email id.

(b) After successful completion of the course (BLS/ACLS):

- > BLS/ACLS Provider e-Card will be issued to the participant who has successfully completed the theory and skills test with a score of 84%.
- > TNAI is awarding 2 points (10-CNE credit hours) for BLS and 4 points (20-CNE credit hours) for ACLS for state nursing registration.

(c) How to enroll?

- > Online or offline registrations are available. For online registration, please visit www.tnaitc.com. Click the payment option and fill in the details and submit it. Soon, a payment portal will open where you will need to do the required payment.
- > If offline, visit the TNAI HQ, Green Park or TNAI, Greater Noida
- > For more info or any query, please check our website www.tnaitc.com
- > Write to us here tnaitc@gmail.com or call us 7838371331

2. National Skills Lab-DAKSH

Reproductive, Maternal, Neonatal, Child Health and Adolescent (RMNCH+A)

This course provides basic skills of all the components of RMNCH+A through complete hands-on skill.

(a) Objective:

- > Facilitate acquisition/reinforcement of key standardized technical skills and knowledge by service providers for RMNCH+A services.
- > Improve the quality of pre-service training. Provide continuing nursing education.

(b) Course requirements:

- > Registration and payment to be done beforehand.
- > Every participant should have a valid email id on the day of the course.
- > Certificate will be issued to the candidates who have successfully completed the theory and OSCE test with a score of 84%.

(c) Elements of RMNCH+A:

- > Duration of Training - 6 days
- > Number of participants - 16 participants
- > Training Methodology - 1. OSCE (Objective structured clinical examination). 2. Mix of theory and skills session, which will be taught by using mannequins, training videos, skills checklists, case scenarios, role plays and powerpoint presentations.
- > Method of evaluation - Pre-test, Post-test

(d) Credit Points (Hours):

After successful completion of the course TNAI is awarded 11 points (55 CNE credit hours) for RMNCH+A.

Dear Sir/Mam,

Greetings from INSCOL. This takes reference to our discussion with you for confirmation of AHA BLS program for 51 students at Army nursing college on from 17th Aug to 19th Aug 2023. Our normal price for AHA BLS is Rs.3412/- per candidate. However, after review of the good business relationship with your organization, whereby we have conducted the above course to the fullest satisfaction of Army nursing college and its students, as also as per AHA norms of providing adequate Educators. We have agreed on special reduced prices of Rs.3000/- per candidate (inclusive of gst) for this year program.

We propose to depute two Nurse Educators who will train 16 -17students per day. This being so, as the program requires extensive training on the simulators, the program shall take approx. 3 days to complete the training – in line with AHA norms and direction.

All other terms and conditions as per our earlier contract with you, some of which are highlighted below for your ready reference.

1. Adequate and clean Accommodation for two Nurse educators for three nights so that they have enough rest to go through the program
2. Meals for the Nurse Educators
3. Tea/coffee for the students and the Nurse Educators
4. Adequately ventilated venue for conducting the program keeping in view social distance.
5. Furniture, as required by our Nurse Educators, for conducting the program e.g., Table, Chairs, Table covers etc.
6. Provision of Sanitizers for sanitization of hands at regular intervals.

Payment terms shall also be as per our last year program i.e. 100% advance before start of program.. As discussed, and confirmed by you, we have ordered AHA books for 51 students for AHA BLS program.

Please confirm so we can make necessary travel arrangements.

Best Regards

Ashish Masih
