

# ARMY COLLEGE OF NURSING JALANDHAR CANTT

## BUDDY PROGRAMME

### REPORT ON ROLE/PLAY ON THE EFFECTS OF DRUG

**DATE : 24, March 2025**

**TIME: 9:00AM-10:00AM**

**AUDIENCE: ACN STUDENTS**

The buddy programme of BFUHS has a unit in ACN has organised as an awareness programme. To address this issue, our college organized an awareness program where students actively participated in **role-play performances** to educate their peers about the harmful effects of drug abuse., Students showcased, depicting real-life scenarios of individuals who fall victim to drug abuse.

The active participation of students in this initiative proved to be highly impactful. By playing different roles in the skits, they effectively demonstrated the consequences of drug abuse and encouraged their peers to make responsible choices. The program also included interactive discussions, where students shared their perspectives and ideas on preventing drug addiction within the college campus.
