

ARMY COLLEGE OF NURSING, JALANDHAR CANTT

REPORT ON 'ORGAN DONATION DAY'

Date: - 13 August 2025

Venue: - ACN Campus

The organ donation is to motivate normal human beings to pledge to donate organ after death. And help people realize that volunteering to donate their organs after death can be life changing for many. It also aims at informing, educating and encouraging people to participate in the noble cause of organ donation. To engender a greater willingness amongst members of the public to donate their organs and tissue; World Organ Donation Day was celebrated in Army College of Nursing, Jalandhar Cantt. Students actively participated and registered on organ donation portal.

OBJECTIVE:

Organ donation is donating a donars organs like heart, liver. Kidneys, intestines, lungs, and pancreas, after the donar dies, for the purpose of transplanting them to another person who is in need of organ. The primary objective is to promote awareness of life-saving solid organ transplants. The secondary objective is to strive to encourage people to donate their healthy organs after death in order to save more lives.
