Students of semester-I performed slogan writing and poster explanation on basis of theme “ADDICTION TO SOCIAL MEDIA” at Army College of Nursing, Jalandhar cantt. Under the observation of Ms. Shaweta Sharma (CI). The active participation of students in this event initiative proved to be highly impactful. Students explained in their posters that it’s okay to own a technology, what is not okay is to be owned by technology. In an overwhelming attempt to capture memories, people have forgotten to make memories. For most of the population these days, the only thing that ever dances is a pair of thumbs texting. Through this initiative, we have taken a meaningful step toward informing, engaging, and empowering our youth to make responsible choices and to stand firmly against the addiction of social media.
