International Day Against Drug abuse and Illicit Trafficking was celebrated with great enthusiasm and spirit at ACN. The event highlighted the deeper dimensions of drug abuse, its root causes and the holistic efforts needed to combat this issue. With active participation of students of Army College of Nursing

On **26th June 2025** at **Ashoka Hall** of **Army College of Nursing**, an online webinar was held from **11:00 am to 1:00 pm** by a renowned speaker and our esteemed guest Dr. (Mrs.) Sukhbir Kaur who is working as an Associate Professor in Department of Psychiatric Nursing in SGRD College of Nursing in Amritsar.

Dr. (Mrs.) Sukhbir Kaur delivered an insightful and impactful lecture on the theme “**Break the Cycle of Organized Crime and Drug Trafficking.**” She emphasized the deep-rooted connections between organized crime syndicates and drug trafficking, explaining how these networks operate across borders and contribute to violence, corruption, and social instability. She also addressed the roots causes & emphasized on Investing in Prevention and Building Strong health, Education and Social System. Along with the session various activities were also done like slogan writing, mind mapping and Q&A with the audience. Students and faculty members actively participated in all the events.

She highlighted key statistics on global drug use and shared real-life stories of individuals who overcame addiction. The importance of early education, community involvement, and government policy in fighting drug abuse was stressed. A short video presentation on global anti-drug efforts was also shown by the speaker and Discussion on the role of youth in prevention and awareness was emphasized.

Participants found the session engaging and thought-provoking. Many appreciated the speaker's practical approach and real-world examples.

The lecture successfully spread awareness about the dangers of drug abuse and the urgent need to disrupt the systems that support it. Dr. (Mrs.) Sukhbir Kaur's address served as a call to action, particularly for the youth, to be informed, vigilant, and proactive in the fight against drug-related crimes.
