

PLACEMENTS : 2021-22

1. Placement Cell of Army College of Nursing, Jalandhar Cantt is ensuring 100% placements every year by making available new ventures for the students for placements and efforts on increase in pay package every year.

2. For conduct of placements for the Academic Session 2021-22, a total of 24 hospitals were invited by sharing flyer of the college. The flyers were shared on maximum channels of digital media. In addition, the Presiding Officer (Director, ACN) had personally liaised with a number of hospitals to invite their participation. JACONites, the college Alumni Association was also actively involved for improving the scope and quality of placements. The hospitals offering lesser salary against the benchmark were rejected and details of placement activities held successfully are as follows : -
