

TENDER NOTICE

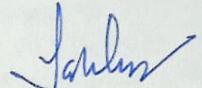

INVITING TENDERS: PURCHASE OF PEDIATRIC LAB TRAINING MANIKINS & SIMULATORS

1. Ref tender notice published on this college website on 02 Feb 2026.
2. The date for receipt of bids for purchase of articles for pediatric lab training manikins & simulators is hereby extended upto 24 Feb 2026 up to 1300 hrs.
3. The details and specifications of the items required are as follows:

S No	Model Name	Description
3.1	Infant Injectable Head Manikin	Demonstrating and practicing infusions and injections in the temporal and jugular veins of a newborn to twelve-month-old infant. The functional head is realistically modeled to represent a six-month-old infant and provides realistic sensation and response.
3.2	NG Tube Trainer Pediatric Manikin	Used for inserting and managing nasogastric tubes through the nose, passing down the esophagus into the stomach for administering medications, fluids, nutrition, or for gastric decompression.
3.3	Pediatric Multi-Venous Training Arm Kit Manikin	Infant IV arm model for practicing vein palpation, vein cannulation, and administering IV fluids or medications.
3.4	Pediatric Training Manikin	For cephalic and umbilical vein puncture, oral and nasal intubation nursing, gastro-lavage tube care, enema and urethral catheterization, ostomy care, deltoid subcutaneous injection, buttocks intramuscular injection, and holistic nursing care such as sponge bath, changing clothes, lactation and diaper changing.
3.5	Child Airway Management Trainer	For training airway management techniques including intubation and bag-mask ventilation.
3.6	Infant Auscultation Simulator	Designed to simulate the sounds of a child's lungs.
3.7	Child CPR Manikin with Indicator	Features visual and/or sound indicators to signal correct compression depth, rate, and ventilation volume.

4. Sealed Quotations for the above product are invited by 24 Feb 2026. The quotations received after due date of receipt and without GST Number, will not be entertained. The quotations without date and/or having over writing will summarily be rejected.

5. The quoted rates must be inclusive of all applicable taxes and F.O.R. at the campus. Warranty, if any, must be clearly specified in the quotation.
6. A notice period of 15 days will be given to the lowest bidder for supply of the items upon issuance of the Supply Order. No advance payment shall be made.
7. The management of Army College of Nursing, Jalandhar Cantt shall not be responsible for any damage to the items during transportation/shipping.
8. After delivery of the items, the bidder shall also arrange a training / demonstration session, wherever applicable. Payment will be released only after successful completion of the training session.
9. In case of any clarification, interested parties may contact 82838-24167 between 09:00 AM and 03:30 PM on any working day.
